## Annual Release Calendar – MoHUA (2026)

**Integration with National Statistical System (NSS) :** Urban datasets are being integrated with MoSPI systems through API-based data sharing, Standardized metadata and definitional alignment with National Indicator Framework (NIF) and SDG reporting.

### **Major Scheduled Releases under ARC 2026**

**A. Periodic Statistical Releases: Weekly Mission Progress Reports** (PMAY-U, SBM-U, AMRUT, DAY-NULM, Smart Cities, UT, PM-eBus Sewa etc.), **Monthly Urban Sector Dashboard Updates, Quarterly Performance Reports (QPRs)** aligned with MoSPI reporting timelines.

**B. Annual Statistical Publications: Annual Yearbook of Urban Indicators** which will contain consolidated statistics on housing, sanitation, water supply, urban transport, municipal finance, etc. with time-series comparison and state/UT level indicators. Further, mission-wise Annual Outcome Reports, Urban Infrastructure Status Report and Urban Local Bodies (ULB) Performance Compendium are planned.

**C. Thematic and Analytical Reports:** Affordable Housing Assessment Report, Urban Sanitation & Waste Management Performance Review, Urban Mobility & Public Transport Statistics Report, Municipal Finance and Revenue Trends Report, Urban Poverty & Livelihood Indicators Report by the respective Divisions.

**D. Supporting SDG and NIF Reporting:** The MoHUA will coordinate for synchronizing release of urban indicators with SDG reporting timelines thereby ensuring timely updation of indicators under SDG and its related goals which will strengthen India's global reporting commitments.

**E. Digital dissemination and accessibility:** All scheduled releases are being published on MoHUA website in machine-readable formats accompanied by dashboards and visualization tools where feasible. Further, additional data is archived for time-series access and research use.
